Linlithgow Victoria Hall Trust

Demonstration of Community Support

The purpose of the Trust is to acquire the derelict Victoria Hall, High Street, Linlithgow, and to develop a community arts facility incorporating a film theatre and flexible performing arts spaces.

In order to ensure the future viability of the development, the Trust plans to incorporate two retail units on the ground floor and between four and six one bedroom flats on the upper floors to provide rental income in support of the community facility.

The Trust is now ready to submit a formal application under the provisions of the Land Reform (Scotland) Act 2003 as amended by the Community Empowerment (Scotland) Act 2015, but, in order to do so, the Trust is required to demonstrate significant community support (at least 1,000 residents) for its plans.

By signing this form, you will be demonstrating that support. **Please encourage as many people as possible to sign a copy of this form**, particularly non-members of the Victoria Hall Trust, and send to the address below.

A copy of the Trust's feasibility study for the Victoria Hall project, that will form an important part of the application, can be found on the Trust's website:https://www.newvictoriahall.co.uk/feasibility-sub
