West Lothian Local Licensing Forum
West Lothian Local Licensing Forum (not to be confused with West Lothian Licensing Board - comprising 6 Councillors) is seeking new members representing council departments, voluntary sector organisations, members representing the licensing trade and members of the community. The principle behind Local Licensing Forums is to link the people who are affected by licensing decisions to the decision makers, and to feed in the ‘grass roots’ perspective. If you are interested and you would like to find out more about the work of the Forum, there will be a short informal information session on Wednesday 6\textsuperscript{th} September in Conference Room 2 in West Lothian Civic Centre between 3.30 and 4 p.m.
